IN THE CLAIMS:

A complete listing of all claims is provided herewith in **Attachment B**. It will be noted that claims 1-9 are currently amended.

REMARKS

By this Amendment, various definiteness corrections have been made in the claims. It is submitted that the present application is in condition for allowance for the following reasons.

Initially in the *Claim Objection* section, claims 1-9 were objected to because of a number of minor informalities. By this Amendment, the noted informalities and others of a similar nature have been corrected in a self-evident manner.

In the Claim Rejections - 35 USC § 112 section, claims 1-2, 4-6 and 9 were rejected for being indefinite. By this Amendment, suitable corrections of a self-evident nature have also been made to overcome the noted problems.
